Why Tully Recommends ICI Traveler

For more than a decade, Tully Luxury Travel has trusted ICI Traveler to help protect their clients' travel investments.

Since 1998, we've helped travelers understand their options, choose the right coverage, and feel supported before, during, and after their journey.

You can purchase travel insurance in many places. The difference is the trusted guidance and personal support you'll receive before, during, and after your trip.

Why Travelers Choose ICI Traveler

Trusted Guidance

We help you understand your coverage before you buy, so you can choose with confidence.

Personal Support

Questions before your trip? Need help understanding a claim? Our experienced team is here to help.

Carefully Selected Coverage

We work with leading travel insurance companies and recommend plans that fit the needs of Tully Luxury Travel clients.

Purchase Early for the Best Coverage

Pre-Existing Medical Conditions

Purchasing your policy soon after your initial trip deposit may allow you to qualify for a pre-existing medical condition waiver, depending on the plan.

Cancel for Any Reason

Some plans offer optional Cancel For Any Reason coverage when purchased within the required time after your initial trip deposit.

Not available in NY

Financial Default

Purchasing early may provide protection if your travel supplier becomes financially insolvent, when included in your plan.

Unexpected Medical Situations

Medical issues are one of the most common reasons trips are canceled. Purchasing coverage early helps protect your investment if an unforeseen illness or injury prevents you from traveling.

Questions? Our team is here to help before, during, and after your trip.
