Short-term travel medical insurance
for individual and group missionaries

WHY OUTREACH?

You have enough to worry about when you’re traveling. Don’t let your medical coverage be an uncertainty. IMG has developed two Outreach Travel Medical Insurance plans that offer a complete package of international benefits available 24 hours a day. Outreach International provides coverage for U.S. residents traveling outside the U.S. with coverage for brief returns to the U.S., while Outreach America provides coverage for non-U.S. residents traveling outside their home country. Both plans are available for a minimum of five days up to a maximum of two years, in accordance with the terms of the Certificate of Insurance.

You can choose from a wide range of deductibles, several maximum limits, and you have access to more than 45,000 providers through our International Provider AccessSM when seeking treatment outside the U.S. You can reduce your out-of-pocket costs when seeking treatment in the U.S. by locating providers through the independent Preferred Provider Organization.

EXPAND YOUR COVERAGE

It's easy to customize your coverage to best meet your needs while away from home. When submitting your application, simply add the riders you need to the plan you've selected.

PHYSICAL HEALTH

■ Adventure Sports Rider

If you're a thrill-seeking traveler who enjoys life's more adventurous activities, you may want to consider adding supplemental coverage to your plan. The Adventure Sports Rider provides coverage for injuries sustained during certain extreme sports that would otherwise be excluded from your insurance policy.

Lifetime Maximum

Age 0-49: \$50,000

Age 50-59: \$30,000

Age 60-64: \$15,000

■ Telehealth Rider

If you'd like the option of seeing a doctor virtually during your trip in case of a non-emergency medical issue, consider adding the Telehealth rider. With Telehealth you have access to board-certified doctors 24/7 without having to visit an office. Your provider can meet with you over the phone or via a video consultation, and can help diagnose and treat non-emergency medical problems.

PERSONAL PROPERTY

■ Mobile Device Protection Rider*

Cell phones are essential when traveling internationally to keep you safe, connect with friends and family back home, and to take photos of your travels. Device protection provides coverage for repair or replacement of your cell phone if it is lost, stolen, or accidentally damaged during your trip—so you can continue your trip uninterrupted and stay digitally connected wherever you are in the world.

**Rider option is available on individual plans only.*

CRISIS SUPPORT

■ Outreach Supplement - Amateur Athletics

This rider specifically offers benefits for accidents and emergencies experienced while playing amateur sports, which would otherwise not be covered. This rider also provides emergency medical evacuation, emergency reunion, and return of mortal remains benefits that are not subject to the plan's pre-existing conditions exclusion.

CRISIS SUPPORT

■ Evacuation Plus Rider**

While Outreach provides emergency medical evacuation coverage for life-threatening injuries and illness, the Evacuation Plus Rider provides coverage up to \$25,000 for medical evacuations if you experience a sudden, non-life-threatening medical condition that requires hospitalization. IMG will arrange and cover ground and air transportation to the nearest hospital capable of providing treatment.

Note: Must be purchased for a minimum of three months regardless of the minimum number of days being traveled. Premium is charged in whole-month increments.

■ Enhanced Accidental Death & Dismemberment Rider (AD&D)**

Accidents can happen—wouldn't you rather be prepared, especially when you're away from home? The AD&D rider will pay you or your beneficiaries up to \$400,000 if your death or dismemberment is the direct result of an accident.

Note: Available to the primary insured only. Available with a minimum purchase of three months of medical and AD&D rider coverage. Premium is charged in whole-month increments.

***Rider option is available on individual plans only.*

FINANCIAL PROTECTION

■ Chaperone/Faculty Leader Replacement Rider*

If you are the designated chaperone/faculty leader and experience an unexpected death of a relative, a medical emergency, or the destruction of your residence that causes you to cancel or interrupt travel, this rider covers reimbursement for a round trip economy airline ticket up to \$3,000 for a replacement chaperone/faculty leader.

**Rider option is available on group plans only.*
